Thank you for purchasing your new car from Perry Road Autos.

As with all mechanical items, occasionally they can develop a fault. For peace of mind we have supplied you with an RAC comprehensive warranty which should cover such eventualities, the details of which will have been described to you prior to the delivery of your car. To compliment the RAC warranty there is included a 12 month breakdown membership which you must register to obtain. This can be enhanced to cover more of the RAC services and you will be contacted by them directly to establish if you wish to upgrade. The level of warranty cover supplied will have been chosen as the highest level we can offer to suit the age and mileage of your car at the time of delivery. It must be noted that there are LIMITATIONS to every warranty and should the repair fall outside of the parameters of the warranty applied, then the repair cost will be YOUR responsibility. The maximum contribution for each individual claim is shown on the Validation Certificate and will be confirmed in the welcome letter.

Should you have need to call upon this warranty, the claims process is set out below, any deviance from this may result in a claim being declined:

- Take your vehicle to a VAT registered garage and provide them with the Warranty Handbook and your Welcome Letter.
- The repairer must call the Customer Services by telephoning 03301003728 & Follow Instructions for approval. Again be aware that NON validated claims may incur a cost to YOU.

(If you decide to take your car to somebody that charges more than £50 per hour i.e Main Dealers, you will need to pay the difference in cost)

To minimise the risk of any problems we strongly recommend a regular maintenance regime. This would normally be a weekly check of all fluid levels and tyre pressures plus carry out visual checks on tyre condition, glass and bodywork. We ask that you sign below to confirm that the procedures shown above have been described to you and that you have a complete understanding of them.

Once again thank you for purchasing your new car from Perry Road Autos Signed For Perry Road Autos

**I declare that I have been made aware of the processes shown above and fully understand them.**

**Customer signature:**

A handwritten signature consisting of a single, fluid stroke that forms a large, open loop on the left side and a smaller, more defined loop on the right side.
